Events Charter,
Industry's Unified Voice**

“
In staying resilient and vigilant, the bureau is honoured to have host this charter acting as the central point of contact to unite great minds that designate the business events industry. "I sincerely hope that we will have an open discussion to chart the recovery plan and strategy for Malaysia, discover challenges and opportunities within the industry and draft a business events charter for Malaysia that provides a clear path to move forward ”

Dato' Sri Abdul Khani Daud
