

A visit to Malaysia for a business events purpose should not stop at the exit doors of a convention centre, especially when there is so much more that awaits on the other side. As a premium destination, Malaysia has empowered unstoppable efforts over the years to promote and offer revitalised post event experience with a warm Malaysian hospitality. The quality of a delegate's experience offered should be no less than the premium experience during

the meetings attended, meanwhile the list of activities to explore in the cities are endless.

The option of post tour activities stretches beyond a city tour, or even a beach holiday. In this segment, join us to uncover the best of premium shopping destinations at a competitive price at three of Malaysia's premium outlets located across the country.

Mitsui Outlet Park

Mitsui Outlet Park (MOP) is a factory outlet shopping mall located 6km from KLIA and klia2. Stone's throw away from the international airport, delegates can opt to plan for a shopping experience upon arrival or prior to departure before leaving the country. Housing a total number of 170 stores, MOP advocates a factory outlet concept offering a myriad of upper-middle to high-end off seasoned brands and products at attractive discounts. The shops offered

include Coach, Ralph Lauren, Saccor Brothers, Tommy Hilfiger and many more. MOP is easily accessible by airport transfer or even e-Hailing services such as Grab, MyCar and Air Asia ride from fares as low as RM30. Therefore, the next time you forget to bring your suits and blazers to a conference, be sure to stop at Mitsui Outlet Park to grab your complete fit at a reasonable price.
