About the Malaysia Convention & Exhibition Bureau (MyCEB)

MyCEB was established in 2009 by Ministry of Tourism & Culture, Malaysia to further strengthen Malaysia's business tourism brand and position for the international business events market. A non-profit organisation, MyCEB serves as a central hub to assist meeting and event planners to bid for and stage international business events in Malaysia and act as a conduit for national product development. MyCEB's goal is to improve its rankings as an international meetings destination within International Congress and Convention Association (ICCA) and to grow business tourism arrivals to Malaysia.

In November 2011, MyCEB unveiled its business events tagline, 'Malaysia – Asia's Business Events Hub' which encompasses its aim to communicate Malaysia's proposition as a gateway to Asia for meetings – where many of Asia's diverse cultures, languages and lifestyles are represented and have merged through a long history of trade and meetings.

Malaysia Major Events, previously known as International Events Unit (IEU) is a division of Malaysia Convention & Exhibition Bureau (MyCEB). It focuses on identifying and supporting major event bids for sports, arts, lifestyle and entertainment events. It also assists home grown and home hosted events as well as other cluster events that strengthen Malaysia's global appeal as an international avenue for major events.
