Why Malaysia?

Malaysia’s strategic location is another attracting factor. The service has far exceeded our expectations.”* The organisers felt that Malaysia was expected to draw a notable turnout of attendees due to its strategic location and the convenience of language as English is highly spoken in the multicultural country.

Malaysia also has a good track record for hosting international conventions. Meetings & Events Australia, chief executive officer, Linda Gaunt has this to say;

“Choosing Malaysia to host MEA 2014 is very timely as Australia looks to strengthen its trade and economic ties with Asia. Malaysia is certainly an appropriate choice for MEA 2014 conference as it has an excellent track record for hosting international conventions. The fact that this year we are holding our annual conference in Southeast Asia has also presented some new and exciting opportunities which will benefit our members hugely. “

About the Malaysia Convention & Exhibition Bureau (MyCEB)

MyCEB was established in 2009 by Ministry of Tourism & Culture, Malaysia to further strengthen Malaysia's business tourism brand and position for the international business events market. A non-profit organisation, MyCEB serves as a central hub to assist meeting and event planners to bid for and stage international business events in Malaysia and act as a conduit for national product development. MyCEB's goal is to improve its rankings as an international meetings destination within International Congress and Convention Association (ICCA) and to grow business tourism arrivals to Malaysia.

••• In November 2011, MyCEB unveiled its business events tagline, 'Malaysia – Asia's Business Events Hub' which encompasses its aim to communicate Malaysia's proposition as a gateway to Asia for meetings – where many of Asia's diverse cultures, languages and lifestyles are represented and have merged through a long history of trade and meetings. Last year, MyCEB (Business Events Division) supported 42 associations and 91 corporate incentive groups representing 81,350 delegates to organize their events in Malaysia. The country has also played host to 106 meetings and conventions, 18 exhibitions and 109 corporate incentive groups.

Malaysia Major Events, previously known as International Events Unit (IEU) is another division of Malaysia Convention & Exhibition Bureau (MyCEB). It focuses on identifying and supporting major event bids for sports, arts, lifestyle and entertainment events. It also assists home grown and home hosted events as well as other cluster events that strengthen Malaysia's global appeal as an international avenue for major events.
